Good access to open spaces for all ...

Welcome to Denton Dene

Denton Dene is an interesting and varied landscape of ancient, semi-natural woodland, open grassland, an old quarry and ponds. This forms natural habitats for both wildlife and activities that change throughout the seasons. **Come in and explore!**

Find out about the heritage and nature in Denton Dene by scanning the QR code or go to: www.friendsofdentondene.org or follow on Facebook @FriendsofDentonDene for more information, maps, trails and events.

Discover all the various trees, plants, animals and more...

Great trails for all the family and friends...

Accessibility

There are tarmacked paths throughout with Hadrian's Way (Entrance 9) offering the easiest wheelchair access. Some people may find the undulating landscape of the Dene challenging.
